Note: For Country, put a ✓ for countries areas in which you normally carry a good selection.

Please note that the above information pertains to the type of material you would plan to bring to WESTPEX if invited to be a member of the bourse. The intent of this form is to determine the priority of the waiting list of dealers for WESTPEX. The list is not solely based on time. More important is the goal of having a great diversity of material at the show for collectors to see. Thus, even though a dealer on the waitlist may have an excellent selection of a particular country area or type of material, it is dealers who offer areas that are not usually available at the show who will be given a higher priority.
