

DON'T MISS THIS AT WESTPEX!

**The Red, White and Blue Forever Coil
Stamps will be unveiled at 2:00 PM
Friday, April 25th in the Jr. Ballroom.**

The U.S. Postal Service has chosen WESTPEX for its unveiling and dedication of these Forever coil stamps depicting four different designs of the U.S. flag. Mr. David Stowe, District Manager of the San Francisco District, U.S. Postal Service, will preside over the dedication program and First Day of Issue ceremony.

The stamps honor Flag Day, proclaimed by President Woodrow Wilson in 1916 as an “expression to our thoughtful love of America.”

The coil stamps will be issued in rolls of 10,000 for business use. For today’s First Day of Issue ceremony, the stamps will be sold in small strips and first day canceled by the USPS.
